

STATEMENT OF NON-OBJECTION

Certificate No. MNDE/2009/3049/1

This certificate is issued to the company named below. Based on the examination of the data submitted the product described is considered acceptable for use in constructions built under Lloyd's Register's survey. This acceptance is subject to Lloyd's Register being informed of any changes in or modifications to the product and the product being used in accordance with the manufacturer's instructions and with the relevant requirements of Lloyd's Register's Rules and Regulations.

System **Casting Impregnation resin
IM3000**

Company **Internationale Metall IMPrägnier GmbH
D-40789 Monheim am Rhein
Germany**

Application **For casting impregnation**

Conditions **The product is to be used in accordance with the manufacturer's instructions and with any relevant requirements of Lloyd's Register's Rules and Regulations.**

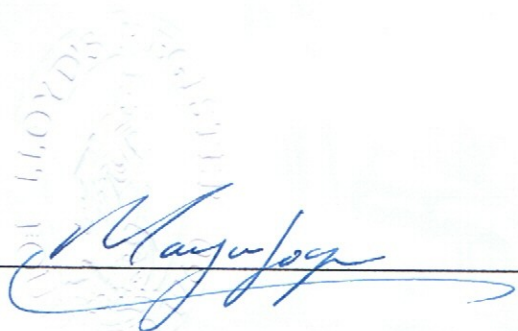

The practice is only acceptable for the rectification of minor porosity and where the extent of porosity is such that the strength of the casting is not adversely affected.

It is limited to applications where service temperature does not exceed 200°C and the service pressure is low.

Lloyd's Register is to be notified of any changes of plant, formulation or Quality Control routines introduced during the validity of this Statement.

Valid until **1st February 2014**

Date **12 February 2009**

A blue ink signature of M. Jorgia is written over a faint circular stamp. The stamp contains the text 'LLOYD'S REGISTER' and 'INTERNATIONAL METALL IMPRÄGNIER GMBH'.
